- We are insured, licensed, and bonded with friendly customer service, competitive prices, and professional trained and certified personnel.
- Extensive experience successfully passing the Joint Commission for Accreditation of Health Care Organizations (JCAHO) inspections.
- Our housekeeping staff is fully integrated into the hospital medical staff and performs as a single team.
- Terra Klean Solutions is an approved SBA 8(a) company. One distinct advantage of being an SBA 8 (a) business is that 8(a) firms are able to form joint ventures and teams to bid on contracts. This enhances the ability of 8(a) firms to perform larger prime contracts and overcome the effects of contract bundling, the combining of two or more contracts together into one large contract.
